

FARM-MAXX

Model SP-150 Pull Type Spread by AGREX

Perfect for home owners, sportsmen, gardening, landscapers, and grounds maintenance. SP Series Pull Type Spin Spreaders from Unifarm offer you the flexibility and dependability you have come to expect. Backed by our "No Nonsense" parts and service support, these machines will always be there to work when you need them.

The ground drive mechanism means you can pull these units with you ATV, Riding Mower, Golf Cart, or any other similar vehicle.

Features Include:

- Adjustable hitch for horizontal operation with most vehicles
- Clevis Hitch W/Optional Ball Hitch Available (Shown inset)
- Heavy Duty Spinner Disc W/Adjustable Vanes
- High Flotation 16x6.50-8 Tires for maximum stability.
- Easy maintenance axle lubrication points.
- Easy drive disconnect for transport
- Salt/Sand Kit available (shown inset)
- Remote Control Kit Available (shown inset)
